

## **STATEMENT OF PURPOSE**

### **RS20815**

This bill amends Idaho Code 36-407 and 36-416 to incorporate a nonresident three day fishing license into the adult nonresident hunting license with no change in the license fee. This bill will enhance the nonresident recreational experience for those who might also desire to fish while hunting in Idaho.

## **FISCAL NOTE**

There will be no fiscal impact to the General Fund. There will be an estimated increase to the Fish and Game Fund of \$191,450 in federal Sport Fish Restoration Funds because of an increase in the Idaho apportionment due to the sales of the incorporated fishing license, if license sales are stable.

If the license revision increases nonresident adult, season hunting license sales by five percent (5%) higher than fiscal year 2011 sales, the estimated fiscal impact to the Fish and Game Fund is an increase of \$146,400 in license fees and an additional \$23,000 in federal Sport Fish and Wildlife Restoration Funds.
